

EMERGENCY ACTION REMINDER CARD

1. GIVE FIRST AID, secure and separate the wing to prevent dragging injury. Leave the wing spread out as visual marker.
2. GET HELP: Dial 999 and ask for Police. Tell Police controller "Fall from height, suspected significant injury, difficult access, air ambulance /SAR helicopter needed (as appropriate)" Give OS grid reference (see following pages). When helicopter is confirmed on the way, give phone to person administering first aid - dispatcher can advise them.
3. PREPARE FOR HELICOPTER: Clear the airspace. Use glider, bags etc. to set out a large 'H ' 'All Land' signal. Once everyone has landed, secure all loose objects, including any debris. When heli arrives...
4. INDICATE CASUALTY. Stand with arms in a Y shape. Don't Wave.

Powerline emergency: Call 0800 40 40 90
